THANK YOU!  

Hamel meu este HANITA ELENA, mult  
mama lui HUGUR HANITA, am 70 de ani,  
si mult pensionara. Am suferit de curand  
un atac de cord in urma unei boli de  
inima de care sufar de mai multa ani  
sunt intr-un tratament medical pe care  
trebuie sa-l urmez pana la sfarsitul vietii.

Ca oricare mama din aceasta lume,  
am incercat sa lui educ copilul cat am  
putut eu de bine, sa-l invat ce este  
bine si ce este rau, bineinteles ca  
oricat mi-am dat silinta de pare sa mi-am  
scapat si anumite lucruri, drept dovada  
unde se afla acum. Dupa cal de bine il  
cunosc, mult convinsa ca a facut o gresala  
pe care o repetat cu siguranta, si care o  
sa-l marcheze toata viata lui de acum inainte.

Probabil si dumneavoastra multata mama sa-  
va sa lui intelegeti sentimentele si stiti ce inseamna  
asta sa nu puti sa-ti vezi copilul 2 ani pentru  
fapta care a facut-o cred ca a fost pedepsit si  
indiferent de situatie, il puseti, il interzic si  
mult platurile de el cu solitatile si defectele lui  
ca copilul meu mi-am dorit din suflet sa  
fiti ingadunatoare si sa mi-l trimiteti acasa  
sa mai pot sa-l mai vad inca odata.

Like every mother in this world, I tried to educate my child, how could I well, to teach him what is right and what is wrong. course however I gave my effort seems to have escaped me and things as evidence where it is now. by how well I know, I am convinced that he made a mistake that he surely regret, and that 'will mark it all his life from now on. you Are probably mother so i know you understand my feelings and you know what that means if you can not see your child almost 2 years for the act that he made ?? I think he was punished and no matter what, you say, I love him and are with him the strengths and weaknesses of my child I would like the soul to be indulgent and you can send him home that i can see him again one more time .

TEXT

My name is VALERIU MANTA MANTA I am 71 years old and retired. i worked for 40 years as a cop in ROMANIA .

in all these years of police work i have arrested kinds of people, murderers, criminals., and

Ironically now , my child is going through a similar situation ,arrested in jail . My son had to follow the police academy, but after the revolution in Romania 1989 gave us the plans upside down.

he never had problems with the law . I know my son very well and I know it was wrong what he did , but I believe that punishment to stay away from his family, his wife and his daughter, to be private to see them, to know whether it is good or bad, is more than the act itself. but it can not decide only your choice and hope that the goodwill that you are convinced that

you make a good decision about him.me and my wife we are old people and we need his help, we want to have him near us to relieve suffering and to be with us little time

we have to live it. thank you !

My name is Daniel Iăncescu, I am a business-man from Romania. I know Mr. Blanta since 2007. We met at a RE/MAX training. We both had broker-owner offices in different cities in Romania. Then we began to know each other better and I bought his RE/MAX office from his city. Our business relationship was correct. So, I had the opportunity to meet Mr. Blanta and I realized that he is a generous and honest man, and a good father too.

Mr. Blanta sold me his RE/MAX office because he wanted to develop another estate project in his city (to build a residential building). Because we didn't have any problems in this trade I trust Mr. Blanta and I know he is a good person and a correct businessman.

Ma numesc Dragan Alexandra Cristiana am 25 de ani si sint cumnata lui Manda Laurentiu Mugur. Il cunosc de 8 ani de când este casatorit cu sora mea Claudia, pe vremea aceea mergeam inca la scoala eram minora dar inca de atunci am avut foarte multe de invatat de la el. Mi-a fost un sprijin atât moral cât si financiar pe tot parcursul scolii si mai departe in viata mea de pâna acum. Mereu mi-a fost alături de câte ori am avut nevoie de un sfat, ca orice adolescent la varsta de 18 ani. Vedeam viata plina de distractii cu panturaje nu tocmai potrivite pentru mine, dar cu ajutorul, sprijinul si sfaturile sale chiar am reusit sa urmez o facultate unde in prezent sint studenta si cu aceasta ocazie chiar vreau sa-i multumesc pentru tot ceea ce a facut pentru mine.

Si pentru viitorul meu in calitate de cumnata mi-as dori sa pot si eu la randul meu sa-l ajut chiar si cu o simpla scrisoare, pentru ca sint convinsa ca este o persoana care merita recunostinta si respectul meu

Va multumesc!
